WINE SERVICE

(or reasons for the lack of it)

We do not offer formal wine service at the table, not because we're lazy, but because of these four simple reasons:

1.

**we (the props.) dislike the general rhu-
barb that so often accompanies the im-
bibing of wine.**

2.

**if the wine is faulty, it's faulty, and no
amount of sniffing or sipping will alter
the fact - or the need for it to be re-
placed forthwith.**

3.

**seeing the bottle marooned across the
room while one's glass remains empty
(and the waiter oblivious) is hugely
irritating: much better to be able to
pour the wine as and when it's wanted.**

4.

**leaving guests to pour their own wine
allows the person driving to monitor
and control their intake accurately.**

BUT !

**if you would prefer that we served your wine in
the traditional way, then please let us know at
the time of ordering. Despite our personal reser-
vations we will happily oblige. (Truly!)**
