*Dear customers,
dear friends, dear beloved ones,
the gorgeous buffet that is currently
before your eyes will not disappear,
will not suddenly vanish into the air.
Actually, it will be supplied and
supplied again, up until we make
all kind of hunger die out.
Therefore, you would be
very kind to help yourself
as much as you wish,
may you come back
and back again.
Because if there
is one thing that
breaks our heart
it is waste !*
